18 For the reasons set forth below, the parties to the above-entitled action stipulate, agree  
19 and request that the court continue the dates currently set for expert discovery and the date for  
20 filing the joint pre-trial statement.

21 At the case management conference on January 19, 2007, the court continued the date for  
22 the disclosure of experts until March 26, 2007, however under the current pre-trial calendar, the  
23 expert discovery cut-off date is March 20, 2007, 6 days before the disclosure. The parties  
24 therefor stipulate and hereby request that the date for the close of expert discovery also be  
25 continued from March 20, 2007 until April 3, 2007. The parties also stipulate and hereby request  
26 that the date for filing their joint pre-trial statement and the for filing jury instructions be
